The Introspective Self 2. The Franchisor 3. The Franchisees

4. The Legal and Financial

I have worked in franchise development for 20 years and also been a franchisee of a couple of different brands. I highly recommend this book to anyone who is considering business ownership as a way to change their lives or improve their asset (time and money) position. The Franchise MBA breaks the investigation process down into an easily understandable journey with a clear beginning, middle, and end. It also does a great job of addressing some of the stumbling blocks that some people encounter. By addressing them so clearly, they are no longer stumbling blocks. Simply parts of the journey of the investigation into business ownership and independence from an employer.
